

LH6900S and 6900C Overhead Stops

Not only is it important to control a door but equally important to stop it. With this in mind we are pleased to introduce the new 6900 series surface and concealed overhead stops.

Features:

- ▶ Heavy duty construction
- ▶ Selectable hold open or stop only
- ▶ Determine degree of opening, 85 - 110 from template
- ▶ for use on doors 24"-48"
- ▶ Internal spring cushions door
- ▶ Specify LH 6900S (Surface) or LH6900C (Concealed) on your next project
- ▶ Stocked in 32D
