DUNE

Reflective of the smooth ridges of sand formed by wind off the romantic coasts of Italy.

CLINIA

Derived from the Latin word linia, this lever distinctly defines a straight path between two points.

AURORA

Derived from Roman origin "Goddess of Dawn" this lever design shines like a new day.

BLADE

Designed to fit in the hand like a fine piece of slender Italian silverware.

“Passion for fine automobiles is captured in these Bold designs.”

– David Turk, CEO
