The terms and conditions contained herein constitute the entire agreement between the parties.

Purchase Orders, Quotations ("Quote") requests, Acknowledgements or the like issued by the Purchaser that have contrary standard terms and conditions are not binding on ASSA ABLOY Door Security Solutions Canada, unless such terms and conditions are approved in a separate written agreement by ASSA ABLOY Door Security Solutions Canada's authorized representatives. In the event of an acceptance of Purchaser's Purchase Order by ASSA ABLOY Door Security Solutions Canada, the Purchaser agrees that such acceptance is solely conditioned on Purchaser's acceptance of the terms and conditions set forth in this instrument, regardless of the terms and conditions specified in the Purchaser's Purchase order.

The terms and conditions in Purchaser's Purchase Order which conflict with terms and conditions of this instrument shall be disregarded and are hereby rejected, and this instrument shall constitute the entire agreement between ASSA ABLOY Door Security Solutions Canada and the Purchaser. In the event that ASSA ABLOY Door Security Solutions Canada does not enforce or require strict performance of any term or condition hereof, or of any other document, instrument or other agreement relating to goods sold, such lack of enforcement or requirement of strict performance will not waive, affect or diminish any right of ASSA ABLOY Door Security Solutions Canada to enforce or require strict performance of such term or condition in the future.

Possession of this price list does not constitute an agreement to sell. Acknowledgements, invoices and quotations are on an "Errors and Omissions Excepted" basis (commonly referred to as E.O.E.). We reserve the right to correct clerical, stenographic and other obvious errors at any time.

ACCEPTATION

ASSA ABLOY Door Security Solutions Canada, une division d'ASSA ABLOY Canada Ltd. et toutes ses sociétés associées actuelles et futures, filiales et marques opérationnelles se réservent le droit de refuser une commande, en totalité ou en partie, quand le type ou la quantité de marchandises ou la solvabilité de l'Acheteur ne nous sont pas satisfaisants à notre seule et absolue discrétion.

Les conditions générales contenus dans les présentes constituent l'intégralité de l'accord entre les parties.

Les Bons de Commande, les Demandes de Devis ("Devis"), les Accusés de Réception ou similaires émis par l'Acheteur qui contiennent des conditions générales contraaires ne sont pas contraignants pour ASSA ABLOY Door Security Solutions Canada, à moins que ces conditions ne soient approuvées dans un accord écrit distinct par les représentants autorisés d'ASSA ABLOY Door Security Solutions Canada. En cas d'acceptation du Bon de Commande de l'Acheteur par ASSA ABLOY Door Security Solutions Canada, l'Acheteur convient que cette acceptation est uniquement conditionnée à l'acceptation par l'Acheteur des conditions générales énoncés dans le présent instrument, indépendamment des conditions générales spécifiés dans le Bon de Commande de l'Acheteur.

Les conditions générales du Bon de Commande de l'Acheteur qui sont en conflit avec les conditions générales du présent document seront ignorées et sont par la présente rejetées, et le présent document constitue l'intégralité de l'accord entre ASSA ABLOY Door Security Solutions Canada et l'Acheteur. Dans le cas où ASSA ABLOY Door Security Solutions Canada n'appliquerait pas ou n'exigerait pas la stricte exécution de toute condition générale des présentes, ou de tout autre document, instrument ou autre accord relatif aux biens vendus, ce manque d'application ou d'exigence de stricte exécution ne renoncera, n'affectera ni ne diminuera aucun droit d'ASSA ABLOY Door Security Solutions Canada d'appliquer ou d'exiger la stricte exécution de cette condition générale à l'avenir.

PRIX

Tous les prix sont sujets à changement sans préavis et ne sont pas garantis. Toutes les expéditions seront effectuées aux prix en vigueur au moment de l'acceptation de la commande. Nous nous réservons le droit de corriger les erreurs de bureau, sténographiques et autres erreurs évidentes à tout moment.
