## ACCEPTANCE

ASSA ABLOY Door Security Solutions Canada, a division of ASSA ABLOY Canada Ltd. and all of its current and future associated companies, subsidiaries and operating brands reserve the right to decline an order, in whole or in part, when the type or quantity of goods or credit worthiness of the Purchaser is not satisfactory to us in our sole and absolute discretion.

The terms and conditions contained herein constitute the entire agreement between the parties.

Purchase Orders, Quotations (“Quote”) requests, Acknowledgements or the like issued by the Purchaser that have contrary standard terms and conditions are not binding on ASSA ABLOY Door Security Solutions Canada, unless such terms and conditions are approved in a separate written agreement by ASSA ABLOY Door Security Solutions Canada’s authorized representatives. In the event of an acceptance of Purchaser’s Purchase Order by ASSA ABLOY Door Security Solutions Canada, the Purchaser agrees that such acceptance is solely conditioned on Purchaser’s acceptance of the terms and conditions set forth in this instrument, regardless of the terms and conditions specified in the Purchaser’s Purchase order.

The terms and conditions in Purchaser’s Purchase Order which conflict with terms and conditions of this instrument shall be disregarded and are hereby rejected, and this instrument shall constitute the entire agreement between ASSA ABLOY Door Security Solutions Canada and the Purchaser. In the event that ASSA ABLOY Door Security Solutions Canada does not enforce or require strict performance of any term or condition hereof, or of any other document, instrument or other agreement relating to goods sold, such lack of enforcement or requirement of strict performance will not waive, affect or diminish any right of ASSA ABLOY Door Security Solutions Canada to enforce or require strict performance of such term or condition in the future.

We reserve the right to correct clerical, stenographic and other obvious errors at any time.

## AGREED PAYMENTS AND TERMS
