

Dogging options

LESS DOGGING (LD)

Less Dogging is available on all 8000 Series Panic Exit Devices when users want to remove the standard dogging feature.

CYLINDER DOGGING (CD)

Cylinder Dogging is available on all 8000 Series Panic Exit Devices to replace standard hex key dogging. Cylinder dogging requires a standard 1-1/4" (32mm) mortise cylinder with a straight cam. This option can be ordered with the device when specified.

Note: Cylinder Dogging Kit (CDK) can be ordered for field conversion. This option cannot be used on fire exit hardware.
